

12<sup>th</sup> March 2016

**March 2016 RPOT Report**

1. The presentation to the Chairs of the local Parish Councils, local Headteachers and Methodist Ministers was given in St Mary's on 6<sup>th</sup> February. It was very well received and there was some useful discussion (Qs&As) at the end of the presentation. Copies of the presentation and Qs&As are placed in all our church buildings and the presentation is now on our website ([www.theparishofthreesaints.org.uk](http://www.theparishofthreesaints.org.uk)). Short items covering this presentation are planned for the parish magazines.
2. Following requests, the above presentation will be repeated at the next meetings of all three Parish Councils and the APCM.
3. Nominations from each of these groups for representatives on our Working Group have now been made and the first meeting of the Working Group is being planned.
4. An application has been made to "Awards 4 All" Lottery Fund to cover the cost of communication, collection and selection of RPOT solutions.
